How can a protest so late in the game stop them from stealing the election? Serious question. I just dont see how it helps, even 1 million patriots show up how does that stop them from reading off the electors?

doesn't matter if they steal the election, if patriots burst into the building by the thousands and cut the heads off the hydra.

They make the wrong choice with thousands of armed pissed patriots outside, they made their choice, and you have to make yours.
